JUNE 2018

Many thanks for your enquiry into a function at The Dartmoor Lodge.

Please find attached buffet menus for your perusal.

Each function is unique and with this in mind we would welcome the opportunity to discuss your function personally with you.

These menus are flexible, and should you have a particular dish that you would like, we would be happy to discuss this with you.

You will see that two of the buffet menus have a foot note explaining that they may carry a room hire or minimum number of guests requirement. Our Haytor Suite is very popular, and this note is to advise that at certain times of the year and on Friday and Saturdays we may require a minimum spend to secure the room for private use. The Haytor bar can be open for your private use at a cost of £100

We are happy to arrange for a disco for you or you may wish to arrange your own. We would ask that the DJ or entertainer contacts us prior to your function so we may discuss the layout of the room with them.

Should you decide to book with us, we require a written confirmation and a deposit, together with your menu selection.

Two weeks prior to your function we will require final numbers with menu choices and payment for your function.

We do hope that you decide to celebrate here at the Dartmoor Lodge, and look forward to hearing from you in due course.

Yours sincerely
