LUNCH MENU

Welcome to the Dartmoor Lodge

Trevor & Diane Crouchen pride themselves on the food and service provided by them and their team.

Into its fourth year of private ownership the Dartmoor Lodge now has an established good reputation with both locals and passing guests

All the food is homemade using locally sourced fresh produce. We buy from the local butcher, fishmonger, farms and dairies to ensure the standard of the food.

We strive to avoid any gm foods and try to cater for any special dietary requirements. Unfortunately we cannot guarantee any of the dishes are nut free and there may be the odd bone in the fish dishes but if there is anything specific you require please let us know and we will endeavour to deliver.

As a starter or just a snack
